MEMBERS OF OUR COMMUNITY:

Since we published the inaugural edition of this directory in June 2017, we have received many, many requests from local businesses and resources asking to be a part of future editions of the directory. With that in mind, we are proud to present to you the fourth edition of the Bloomington-Normal Area LGBTQIA+ Business and Resource Directory.

This fifth edition features many additional members who have pledged to provide an inclusive, welcoming environment and to serve our community fairly and equitably. Their commitment is consistent with our mission: To make the Bloomington/Normal area a safer, more progressive place where we can live openly and authentically as ourselves.

Each of these members has agreed to display a special static cling rainbow decal at their entrance and/or on their online web site. This identifier will help customers and clients easily identify our supportive businesses, organizations, and resources.

In the event a community member has an experience with a member listed in the directory which disagrees with the pledge listed above, please contact Prairie Pride Coalition (PPC) directly to voice those concerns. PPC is committed to reviewing and responding to those concerns and we will work to ensure the LGBTQIA+ Business and Resource Directory continues to be a valuable and reputable resource. PPC reserves the right to remove businesses and/or resources from the directory, as deemed necessary and without advance notice.

As the number of members increases we will release new editions of the directory. In the meantime, please consider patronizing the businesses and supporting the organizations and resources who support us!

The Town of Normal celebrates the 25th anniversary of the Prairie Pride Coalition and proudly supports its mission of fostering mutual respect, regardless of sexual orientation, creed, race, gender, gender identity or physical ability.

Likewise, the Town honors unique and diverse backgrounds, identities, cultures and talents. The Coalition's work advances that of Normal, helping make it the community it is today ... welcoming, vibrant, prosperous and connected.

Every day, people in Normal and Bloomington from vastly different backgrounds work together for the betterment of our communities. Building awareness, understanding and empathy for people of all backgrounds, circumstances and abilities is a primary tenet in Normal. This continues to be part of our vision for the future with the 2040 Town of Normal Comprehensive Plan's dedication to creating a community where everyone can thrive.

This year has been a year like none other. Amid a global pandemic, challenging economies, political strife and civil unrest, it is important to bring our community together.

On behalf of the Town, I urge all citizens to support the businesses and organizations within this directory. Doing so bolsters our community, creating a strong, welcoming and inclusive environment. And, we need that now more than ever.

Chris Koos
Mayor, Town of Normal

I am deeply honored to celebrate with you as Prairie Pride recognizes its 25th Anniversary in 2020.

This milestone is important to our community and further emphasizes the mission to promote "compassion and understanding among all peoples." Your tireless efforts to bring a voice and equality to the LGBTQIA+ community has made our city a better place.

It is essential that elected officials embrace our differences and commitment to inclusiveness in our progressive and welcoming community.

This effort is one that appeals to the best part of human beings. It is especially critical now in our nation's history when some leaders are attempting to divide by appealing to the worst part of humanity — our fears and prejudices. Our community's increasing diversity is, perhaps, its greatest strength.

Tari Renner
Mayor, City of Bloomington
